

# Arkansas Wood Using Industries (by County)

as of December, 2006

Mills manufacturing timber or lumber into products are listed alphabetically by county where located, by name, address, phone.

\*Mill operation indicates the primary type of mill; mill size is based on production capacity of board feet Doyle log scale or board feet lumber tally and is coded as:

<b>Mill Size</b>	<b>Annual Capacity</b>		
A	Less than 1 million	P	Primary
B	1 - 3 million	S	Secondary
C	3 - 5 million		
D	5 - 10 million		
E	10 - 15 million		
F	15 - 20 million		
G	More than 20 million
